

**CAF (Physical Motor Assistance Program)**

Located in Chichicastenango, Guatemala, CAF serves 55 children and 17 adults. Overseen by a missionary PT, the people are assisted by a full time Guatemalan PT, 6 part time workers and 10 volunteers. A big change from our 7 patients and 7 local workers when we started in 2005.

Although we meet the physical needs of our patients, the heart of all our staff is to serve and minister to the families of and patients with disabilities. We've seen children walk whom doctors said would never walk, marriages restored, and people come to know Christ.

Over the years we've added house visits, a clinical rotation site for US PT students, and an
